# **IFC Meeting Minutes**

### **November 2, 2018**

# 1. myVITA

- a. IFC expressed concerns in the following areas
  - i. Confidentiality: Violates language in places
  - ii. Access: When chairs submit to Deans they can't get it back
  - iii. Time Consuming: lots of work for little return, reproduction of efforts
- b. Action items requested:
  - i. Circulate permission structure
  - ii. What is the purpose, return?
  - iii. Feedback loop

#### 2. Promotion & Tenure

a. The outcome of summary seems to be consistent with what is seen on campuses.

Consensus is provosts are open minded to taking a closer look at the process. If a task force were to come together they have a good start using Reem's research and Tina's report

- b. Discussion:
  - i. Collected rules should not dictate how we do tenure (should not include restrictions)
  - ii. Consider what happens at department level. How are we looking at faculty performance
  - iii. A lot can be accomplished by paying attention to procedure. P&T policies should follow best practices. Referencing: 320.035 B.2.C. (tenure, not promotion in special circumstances)
  - iv. Key issues to consider:
    - 1. What happens at the department level
    - 2. How are we looking at faculty performance
    - 3. Procedures/best practices
    - 4. Supporting mid-career faculty to achieve tenure (if desired)
    - 5. Culture changes needed
    - 6. What is service? Is being the chair of a department considered service?
    - 7. Recognizing interdisciplinary work
    - 8. Training for P&T committee members
    - 9. If you broaden the criteria the lines get blurred between NTT and TT.

- $10. \ Cautious \ about \ others \ taking \ advantage... \ recommended \ vs. \\ required.$
- v. Provosts would like to see more flexibility. Flexing the standard to move to professor. There needs to be better metrics, must make case.
- vi. Next step: assign to mid-career task force
- 3. Employee Value Proposition (Marsha Fischer)
  - a. Core elements in onboarding and training
  - b. Changes from Chronicle based on feedback in earlier meetings
  - c. Detailed roadmap on slide 6
  - d. This is not an HR process it must be institution wide
  - e. Tenure will be faculty driven
  - f. Discussion
    - i. Importance of getting faculty input from the beginning
    - ii. Service functions may need more clarification or needs to be integrated better (slide 3)
    - iii. Research under "transform lives" why placed there, it could fit under different buckets
    - iv. Is there a better sequence for slide 5?
  - g. Communication is working on putting the information on a website and videos that illustrate the concepts

### 4. President Choi

- a. Department chair selection process
  - i. The process is varied among the universities and from department to department
  - ii. This is a critically important role
  - iii. Ensure that the selection committee is inclusive
  - iv. Changes being made:
    - 1. Must be an academic with focus on teaching/research but also must have administrative experience
    - 2. Faculty voice must be prominent in selection committees
    - 3. Time with review at will of the Dean
    - 4. This will be a discussion item at the November Board of Curators meeting
  - v. Discussion:
    - 1. Department chairs versus department heads
    - 2. Everyone should be held accountable
    - 3. Search committee selection process should be solidified
- b. Project Unify
  - i. The project looks at the four university's student information systems to make processes and deadlines consistent
  - ii. There are 46 recommendations to implement by December  $31^{\text{st}}$
  - iii. Rick Baniak is the lead on this effort

- ii. General education requirements revision has slowed a bit but still making progress
- iii. Website redesign will launch on December 3rd
- iv. Concerns on how faculty research counts. UTSA talked with faculty about how to rethink how they do research
- v. Challenges around the changes about the indirect costs of research cost sharing is going to be reevaluated

## d. S&T

- i. Committee looking at graduate student funding Policy 226 to have a broader look
- ii. Revising bylaws adding deans and other changes where consistency was needed
- iii. There was a +/- grading rumor but this has been fixed
- iv. Chancellor search committee is in progress
  - 1. December 4th the committee will review candidates
